

# Oaktree

## Student Ambassadors

**Who is Oaktree?** Oaktree is young people leading the movement to end poverty. For us, change starts with a simple belief - that extreme poverty is unacceptable. Beliefs turn into action, and enough informed action will end extreme poverty in our lifetime.

To see that happen, we're championing young people, both in Australia and overseas, as key changemakers in the fight against poverty.

### **That's where you come in.**

As an Oaktree Student Ambassador you will play an important role in ensuring the success of Oaktree's campaigns, including Live Below the Line. You'll work closely with other Oaktree volunteers and Student Ambassadors, coming into your local Oaktree office every month for exciting trainings and workshops. You will lead campaigns within your school, recruiting your friends and classmates, coming up with creative stunts and being an Oaktree representative within your school and community.

**If you're a creative person with a passion for ending poverty, this is the role for you!**

### WHO WE ARE LOOKING FOR

- Someone who loves being creative and trying new things
- A person that is driven and wants to make the most out of your time at school, seeking out new opportunities and challenges
- A student who is keen to engage their community and rally support for Oaktree's work at their school
- Someone passionate about ending poverty!

### WHAT YOU GET OUT OF IT

- Collaborate closely with incredible young leaders across Australia
- Take part in monthly workshops and trainings where you will develop skills in leadership, public speaking, diversity, fundraising, campaigning and much, much more
- Make a significant impact in Australia and globally in the movement to end poverty
- The opportunity to lead Oaktree campaigns within your school, make key decisions and inspire your classmates all whilst learning new skills!

“Never before, and never again, will there be such a large population of young people ready, capable and driven to create change in their communities” - Sashenka Worsman, CEO, Oaktree
